*"It's ability, not disability, that counts!"*

**Community Partnership Program**  
**Membership Benefits & Fees**

- "Best practices" information on disability programs and activities in communities throughout the U.S. that can be replicated in your town or city
- How-to-do-it guidance and information on expanding the participation of people with disabilities in employment, education, voting and political participation, transportation, religious worship, and in recreational, social and cultural activities.
- Information on disaster planning and preparation for people with special needs
- Alerts and bulletins about disability legislation (e.g. Americans with Disabilities Act, Rehabilitation Act, and Voting Rights Act) and U.S. government programs of importance to mayors and their communities
- Updates on President George W. Bush's *New Freedom Initiative* on disability
- Complimentary copies, on request, of N.O.D.'s renowned Harris Surveys of attitudes toward and participation of people with disabilities in community life
- Complimentary copies of other N.O.D. research reports and publications
- Invitations to N.O.D. events in your area and in Washington, including at the U.S. Capitol
- Eligibility for *Accessible America Award* – \$25,000 community cash award competition
